## Stocks Collapse in 16,410,030-Share Day

*(October the 30th, 1929)*

"This was the most disastrous day in the stock market's history. Hysteria swept the country and stocks went overboard for just what they would bring at forced sale."

*The New York Times*

## Money?

"Money is a movement which always seems to be going in the wrong direction."

*A Neon Graffiti \*Thought-poem\**
